9. on 6/5/85, Gertrude (Gardner) Snyder pointed out to SRP that she had located two members of the Loomis family in Volume 116, No. (?), August, September, October, 1982 of the DAR Magazine.

They are:

1) Seth Loomis — p. 795 — NY

(a descendant of his, Catherine B. Tobler, is a member of the Gwynedd Chapter, PA, DAR)

2) Asa Loomis — p. 672 — CT

(a descendant of his, Mildred Loomis W. Nelson, is a member of the Fresno, CA, Chapter, DAR)

are these two Loomises descendants of Joseph Loomis? They must be.
